STOP THE GENOCIDE IN CHINA!

BRING JIANG ZEMIN TO JUSTICE

**Former Chinese Leader Faces
Genocide Charges in U.S.
District Court**

**JIANG'S CRIMES AGAINST
HUMANITY**

**Falun Gong practitioner,
brutalised in Tiananmen Square**

On October 18, 2002, individual plaintiffs filed a class action lawsuit in the United States District Court against former Chinese leader Jiang Zemin.

- Capitalizing on the **Tiananmen Massacre** of 1989, to seize the position of president.
- Deceiving the world by covering up the **SARS** outbreak, causing extensive loss of life for people in China and around the world.
- Instigating the shameful persecution and illegal imprisonment millions of **Falun Gong** practitioners.
- Instigating the torture and murder of innumerable **Falun Gong** practitioners (death toll is unknown).
- Recently arresting 180 Falun Gong practitioners for exposing the truth about SARS.
- Establishing the illegal "**610 Office**", a bureau with supreme authority above every level of the Chinese government, specifically to persecute **Falun Gong**.
- Exhausting 25% of China's financial resources to "eradicate" **Falun Gong** practitioners.
- Mobilizing the media to spread anti- Falun Gong propaganda world-wide.

For the past four years, Jiang has abused his authority to carry out a campaign of murder, torture, terrorism, rape, and destruction of property, as part of a systematic policy to "eradicate" FALUN GONG – a peaceful spiritual practice based on the values of truth, compassion and tolerance.

The victims of Jiang's crimes have recently filed lawsuits against him, and as the net of Justice closes in, Jiang's group is putting immense pressure on the U.S. government, saying that he is "willing to pay any price" to avoid being condemned for his vicious actions. The Judge is expected to decide whether or not to proceed with this case by the 15th June. Now is a chance for governments and people of the world to stand up in support!

Jiang's trial cannot be limited to the Court of Law alone. The Court of Conscience and the Court of Morality are even more powerful.

Together we can all bring Jiang Zemin to Justice!

**genocide: mass murder (*Oxford*),
deliberate and systematic
destruction of a racial, political, or
cultural group (*Merriam-Webster*)**

- **Illegally imprisoning foreign citizens, such as U.S. Citizen, Charles Li, M.D.**
- Building **brainwashing** centres and misusing **psychiatric medication** to brake the will of Falun Gong practitioners.
- Using tactics such as **diplomatic pressure**, political incentives and trade agreements to buy the silence of foreign governments.
- **Conspiring to commit civil rights violations in free countries outside of China.**
- Outlawing the pursuit of higher moral standards.
- Capitalizing on people's apathy and indifference to carry out large scale persecution.
- Forcing otherwise good people to persecute **Falun Gong** practitioners against their own conscience.
- **Deceiving the world and endangering humanity**

Dear Mr. Howard,

UPHOLD JUSTICE
Stop the Genocide of Falun Gong Practitioners

I am a concerned Australian citizen, writing to urge you to contact the U.S. State & Justice Departments to express your support for the trial against Jiang Zemin, for genocide and crimes against humanity.

Jiang's lies and deceit have endangered the lives of people throughout the world. Through the torture and imprisonment of innocent Falun Gong practitioners; through the slander and hate propaganda against Falun Gong and the principles of Truthfulness-Compassion-Tolerance; and through threats and inducements to governments and organizations all over the world; the shameful persecution started and directed by Jiang Zemin has undermined the basic values, conscience and sense of justice in our society.

The genocide must stop; freedom of belief must be restored and Jiang Zemin must be held accountable for his crimes.

Again, I urge you to uphold justice, and please express your support for this trial.

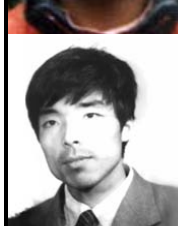

Sincerely,

TIME IS CRITICAL. PLEASE FAX OR MAIL THIS LETTER AS SOON AS POSSIBLE!
